

COMS 4030A

Adaptive Computation and Machine Learning

The AC & ML class test will be a written test.

The details are as follows:

Date: Thursday 11 April.

Time: 12h30 to 13h30.

Venue: Flower hall - GF.

Content: The test will cover all material from Block 1, that is, everything from Lecture 1 to Lecture 6, except for the following sections: Section 2.23 and Section 5.3.

You should expect questions based on the theory and derivations, as well as questions similar to the exercises in the notes.

To help you prepare, last year's test will be posted on Moodle (sometime during the break).

The remaining solutions to the lecture exercises will also be posted (sometime during the break).
